**MINI 3: DUE Monday, February 27, 2017 BY 10PM to your Canvas "MINI 3 Assignment"**

Please be sure to use *only* the **Microsoft Word** format (.doc/.docx) or compatible for your MINIs. Please do not use PDF or any other format.

#### **MINI 3: (DUE to your Canvas "MINI 3 Assignment" by 10PM on Sunday, January 27, 2017)**

Using your preferred search tool and search techniques, list and discuss the **three (3)** most important/interesting/useful things **directly related to your Android Final Project** you have learned **through your own work and on-line research** relating to XML, Java, Android Studio, and/or Android. Again, these **should** be directly related to **YOUR** specific Final Project **and not** topics from the first two MINIs.

For EACH of these **three (3)** things **you learned**, please write up the following and have it ready to submit by the assigned deadline:

1. State the topic, explain how it relates to your Final Project, and list the 3 **best** URIs you found that discuss and explain this topic.
2. Offer a précis of the topic. Summarize what was said in what you read.
3. Offer, in your own words, a summary explanation of what you **found to be** the one or two **most important points** were in what you read.
4. **INSTEAD OF A QUESTION**, state as clearly as you can **WHAT and WHY** someone else would find **this an important/interesting/useful thing to know**. Tell me why it was worth the effort to investigate and learn about.

#### **JIT 3: (DUE to JEFF VIA EMAIL [jwhitmer@cs.indiana.edu] by 10pm on Monday, February 27, 2017)**

Submit your 3 **big statements of importance, i.e., What and Why** (one for each of the 3 topics you discuss above) by email before 10pm on the due date (2/27/2017).

Please send your JIT **as the body of a simple email message**. Please **do not** send them as an attached file. BE SURE to put "JIT 3" and "A290 Android" **or** "A590 Android" in the subject line.

Remember, you need to do #1-3 above for each of the 3 things you learned and submit the electronic version for **your Canvas "MINI 3" assignment**, **and** also send me the 3 statements (#4 above) **in the same order** by email for **JIT 3**.
