

A290/A590  
Tools for Computing  
Windows Interface Design and Programming with Visual Studio/C#/.NET.

**A290/A590 Just In Time (JIT) Assignment 0**

Briefly answer the following questions and send your answers to me, via email ([jwhitmer@cs.indiana.edu](mailto:jwhitmer@cs.indiana.edu)),  
**NO LATER THAN 10PM on MONDAY, October 17, 2016.**

[NOTE: Please send your responses as text in your email, **not as an attachment**. I appreciate it.]

[ALSO please BE SURE TO INCLUDE "JIT 0" and "A290" OR "A590" in the Subject line of your email.]

- 1) What are the TOP **THREE** (3) THINGS you are hoping or expecting to learn in this course?
- 2) What experience, if any, do you have with Visual Studio (any version) and C#? What other programming languages do you have experience with?
- 3) What are the TOP **THREE** (3) TOPICS or AREAS related to Programming/Interface Design/Related Topics where you would describe your understanding as EXPERT or NEAR EXPERT? In other words, what do you think you know the most about that could be related to the content of this course?

Thank you
